

Terms and Conditions continued:

Webstorm will not be responsible for any functionality of the website should the site be accessed via FTP and/or other software. Simple text alterations can be requested from Webstorm and within reason, will be a service included in the subscription fees. Any other work required must be quoted and such quote formally accepted in writing by the subscriber.

Domain registration and hosting occurs on receipt of completed subscriber agreements and as such the subscription fees are charged from this date. Domain renewal is annual and this renewal fee (as indicated on this document) is only included for the first year. Subscribers that delay the supply of content for the construction of the website or delay approval of concept, do so at their own risk.

The subscriber must furnish Webstorm with the content of each page (in editable format i.e. Microsoft Word), suitable high quality pictures, logo's and other content that is required by the client to be incorporated on the website. The time required for the construction of a website will be 4 to 6 weeks from date of acceptance of the concept page constructed for the client that indicates the "look and feel" of the proposed website.

On-site consultations at the offices of Webstorm are provided for on a pre arranged appointment basis. These visits allow for one hour of consultation and is included in the costs.

Optional Extras:

Website Submission to Search Engines R35pm.

Regular monthly submissions:
Webstorm will submit the website domain to all relevant search engines world wide in order to promote your website for internet searches. Submission does not guarantee a favourable listing but contributes hugely to ratings. Improvement in listings on search engines may take several weeks and fluctuate according to competing websites.

Extra Pages:

The cost of an extra page: R450/page. (subject to disc space on applicable hosting package)

Search Engine Optimisation:

Although basic optimisation is included in the price, subscribers wishing to have the service on an ongoing basis to ensure high rankings in search engines, may enquire about ad-hock work or, may consider the SLA options below.

SLA (Service Level Agreements)

Subscribers may wish to have Webstorm regularly update the website. Please enquire about or affordable SLA options with Webstorm sales division.

Terms and Conditions continued:

The subscriber hereby agrees to the terms and conditions in this document, confirms that this is a 36 month contractual obligation, that he/she have read and understood the content of this documents and wish to enter into this agreement with Webstorm (Pty) Ltd. The subscriber furthermore confirms that he/she is legally entitled to commit to this contract as duly authorised signatory and that no illegal venture, content or legal requirements, statutes or known infringements will occur with the construction and publication of the website. The subscriber furthermore hold Webstorm (Pty) Ltd and its employees non accountable for any such possible legal actions resulting from the publication of this website, its contents, services and products offered or the accuracy of any information.

Instruction: (Guidelines)

In order to facilitate the building of your own unique website, the following information will be very handy:

Please supply us with 3 x website addresses of three opposition sites. Each site address should have a short comment from you as to; what you like and dislike about the website.

Please supply us with 3 x website addresses of three websites. (These may be of any nature and not necessarily the same type of content that you wish to promote) Each site address should have a short comment from you as to; what you like and dislike about the website. This will assist the developers to gauge your preferences for the look & feel of the site (colour schemes, letter sizes, font types, how clean or busy the page should be etc..)

Please prepare the content of each page in a editable format.

Please supply us with the name for each page (products, about us, profiles, services, contact us, etc...)

Please prepare some key words that appear in each page. We will use these to optimise the page for search engines. Think about words that potential visitors will use to search for your website. Do not forget to make sure that these words also appear a few times in the body of the text (the content) of each page. Please prepare photo's in high quality format (JPG if possible)
